NO PERMIT

SPECIAL FILMING CONDITIONS
1600 BLOCK OF HOMEWOOD DRIVE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The 1600 block of Homewood Drive in Altadena is a quiet, charming residential area, without sidewalks, that has been used over the past several years for on-location filming. The following Conditions have been established to mitigate the concerns of local residents and provide for a balanced use of the street and filming property.

- **Affected residents (both sides of the street from Tanoble Drive west to the dead end) must be notified at least two (2) days in advance of the first filming day or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Equipment may be parked on one side of the street only, and may not block driveways at any time.** *Driveways may not be used as turnarounds.*
- **Cast and crew are not to park on area streets.** Off-street parking must be provided for production company vehicles.
- **Lighting must be contained on the filming location property** unless permission is granted by all residents affected by the lighting.
- **When production companies park more than eight (8) equipment vehicles on area streets, they are required to hire a California Highway Patrol Officer or Los Angeles County Sheriff to ensure public safety.** The officer's primary responsibility is to facilitate traffic through the area and assist residents in exiting their driveways.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.**, unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.
- **Weekend filming is prohibited** unless approved by FilmL.A.
- **Filming is not permitted from Thanksgiving Day through New Years day.**
- **Cast and crew may not infringe on surrounding residents' private property, *including parkways.***
- **The street may not be closed to through traffic for more than two (2) minutes at a time,** unless a road closure has been approved and is indicated on the permit.
- **When filming on trash days, activities may not interfere with normal collection.**
- **Area streets may not be coned off prior to the day of filming.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
